

FRESHEALTH

APRIL 2024

THIS MONTH'S THEME:
An Astral Adventure

Get ready for an extraordinary celestial event this month: a solar eclipse! During a solar eclipse, the Moon moves between the Earth and the Sun, creating a temporary shadow that covers part of the Earth, like a giant celestial puzzle piece blocking out the sunlight for a short time. To celebrate this lunar spectacle, we're unveiling some stellar additions to our lineup: cosmic rainbow baby carrots, stellar sweet tango apples, along with classic favorites like glowing yellow tomatoes and radish coins reminiscent of eclipses. 🌞🌑🌙

Get excited to experience this rare event with your friends & classmates! ✨
