

FEBRUARY

THIS MONTH'S THEME: EAT THE RAINBOW

We've got a variety of colors and shades in our fruits and veggies this month!

Tri-colored bell peppers, golden kiwi, and rainbow cauliflower are all colorful versions of normal fruits and veggies we are more familiar with.

Can you think of other fruits and veggies that come in different colors? (ex: green apples, purple carrots, etc).

This week's specialty options	MON	TUE	WED	THU	FRI
