

SWEET POTATO COINS

Sweet potatoes come in a variety of colors. Their skin can be brown, yellow, orange, red or purple. And their insides-- called flesh--can be white, orange or purple!

PRODUCE PARTICULARS

Sweet potatoes are known for being high in Vitamins A and C, and for their high fiber content.

Furthermore, a sweet potato is not the same as a potato. Sweet potatoes are roots and potatoes are tubers.

Many people think that sweet potatoes and yams are the same thing. In fact, they are different vegetables!
